Undergraduate Advising Services (UAS) 581-7853 SFEBB 1120

This department enforces undergraduate prerequisites. Please note that the registration system may not factor in transfer work when determining if prerequisites have been met. If you are unable to register for a course and think you have met the prerequisite(s), please contact an advisor from this department to inquire about obtaining a permission code. You may be administratively dropped from a course if the prerequisite has not been met.

General Education requirements are changing effective Fall 2024. If you are looking for a course in Summer 2024 to fulfill an AS, QR, QA, QB, or SF please see http://www.generaleducation.utah.edu, review your degree audit for a list, or consult with your advisor.

**ANTH 5712-002** FLW 6  
Field School: Zooarch  
05/06/2024 - 05/31/2024

- Students will meet in Salt Lake City (May 13) and we will proceed from there on a 6-day camping field trip across the state of Utah. We will explore many of the most important archaeological sites in the Great Basin and Colorado Plateau (e.g., Danger Cave, Hogup cave, Lakeside Cave, Homestead Cave, Cowboy Cave, Sudden Shelter, Bonneville Estates Rockshelter) and study the different habitats and vertebrate faunas of the regions. We will then stay for the remainder of the course (May 19-31) at the remote and scenic Range Creek Field Station in eastern Utah with continued field and lab studies and lectures on various topics in zooarchaeology. Students will complete a problem-oriented research project at the field station and present an oral presentation on that work at a conference on May 31. We depart on June 1. To determine the last day to drop this miscellaneous course, see [http://registrar.utah.edu/handbook/miscellaneous.php](http://registrar.utah.edu/handbook/miscellaneous.php)

**ANTH 5712-003** FLW 3 - 6  
Field School: North Utah

Note: Admission to the Zooarchaeology and Field Ecology Field School is by application only, see details at: [https://anthro.utah.edu/fieldschools/zooarchaeology_fieldschool.php](https://anthro.utah.edu/fieldschools/zooarchaeology_fieldschool.php)

Students can also email the professor for additional details at: jack.broughton@anthro.utah.edu

Note: The course will begin (May 6-10) with five-day intensive introduction to zooarchaeology, vertebrate osteology, and natural history by zoom. Students will then meet in Salt Lake City (May 13) and we will proceed from there on a 6-day camping field trip across the state of Utah. We will explore many of the most important archaeological sites in the Great Basin and Colorado Plateau (e.g., Danger Cave, Hogup cave, Lakeside Cave, Homestead Cave, Cowboy Cave, Sudden Shelter, Bonneville Estates Rockshelter) and study the different habitats and vertebrate faunas of the regions. We will then stay for the remainder of the course (May 19-31) at the remote and scenic Range Creek Field Station in eastern Utah with continued field and lab studies and lectures on various topics in zooarchaeology. Students will complete a problem-oriented research project at the field station and present an oral presentation on that work at a conference on May 31. We depart on June 1. To determine the last day to drop this miscellaneous course, see [http://registrar.utah.edu/handbook/miscellaneous.php](http://registrar.utah.edu/handbook/miscellaneous.php)

Note: Admission to the Zooarchaeology and Field Ecology Field School is by application only, see details at: [https://anthro.utah.edu/fieldschools/zooarchaeology_fieldschool.php](https://anthro.utah.edu/fieldschools/zooarchaeology_fieldschool.php)

Students can also email the professor for additional details at: jack.broughton@anthro.utah.edu

**THIS DEPARTMENT ENFORCES UNDERGRADUATE PREREQUISITES.** Please note that the registration system may not factor in transfer work when determining if prerequisites have been met. If you are unable to register for a course and think you have met the prerequisite(s), please contact an advisor from this department to inquire about obtaining a permission code. You may be administratively dropped from a course if the prerequisite has not been met.

<p>|        |           |           | Note: Vaccines play a crucial role in safeguarding the body against pathogenic diseases by inducing a durable memory within the body’s immune system. This course will cover the process of vaccine development and the mechanisms by which the immune system responds to vaccines for enduring immunity. Topics in this course will include vaccine design, vaccine efficacy, basic immunology, immune responses triggered by vaccines and pathogens, and the formation of immunological memory. The course will include a combination of assigned readings and homework, class discussions, team-based learning, and in-class activities. In addition to covering the course content, this course will integrate learning strategies for reading and interpreting scientific literature. Key goals of this course include improving critical thinking skills, scientific literature comprehension, data interpretation, and conversing in an active learning environment. |</p>

THIS DEPARTMENT ENFORCES UNDERGRADUATE PREREQUISITES. Please note that the registration system may not factor in transfer work when determining if prerequisites have been met. If you are unable to register for a course and think you have met the prerequisite(s), please contact an advisor from this department to inquire about obtaining a permission code. You may be administratively dropped from a course if the prerequisite has not been met.

Note: Special summer course for Intermediate reformer pilates with precise focus on form. Please email ESSF@utah.edu with questions.

Note: Meets with: ESSF 1054

Note: University Connected Learning

Note: For beginner/intermediate yogis who want to go deeper into posture alignment through Hatha pacing and Iyengar techniques, to mindfully develop their personal yoga practice from the comfort of your home. Email the instructor Jendar Morales, for more details. Jendar.Morales@utah.edu

Note: In this section of Stretch & Strengthen, emphasis on core, joint mobility, and lean muscle toning will be experienced, using a variety of props for use at home. Students will need to invest in a small physio ball, pilates ring, long TheraBand, large exercise ball, light hand weights, and foam roller. Please email ESSF@utah.edu for more details regarding this course. At-home equipment will be needed.

Note: For beginner/intermediate yogis who want to go deeper into posture alignment through Hatha pacing and Iyengar techniques, to mindfully develop their personal yoga practice from the comfort of your home. Email the instructor Jendar Morales, for more details. Jendar.Morales@utah.edu

Note: In this section of Stretch & Strengthen, emphasis on core, joint mobility, and lean muscle toning will be experienced, using a variety of props for use at home. Students will need to invest in a small physio ball, pilates ring, long TheraBand, large exercise ball, light hand weights, and foam roller. Please email ESSF@utah.edu for more details regarding this course.

Note: This is an online course, which does not have a specific meeting time or location throughout the semester. For additional information, please visit https://online.utah.edu/about-online-learning/.

This department enforces undergraduate prerequisites. Please note that the registration system may not factor in transfer work when determining if prerequisites have been met. If you are unable to register for a course and think you have met the prerequisite(s), please contact an advisor from this department to inquire about obtaining a permission code. You may be administratively dropped from a course if the prerequisite has not been met.

Note: THIS COURSE DOES NOT QUALIFY FOR U OF U EMPLOYEE TUITION REDUCTION OR EMERITUS DISCOUNT BENEFITS. THE LAST DATE TO DROP THIS CLASS FOR A FULL REFUND IS THURSDAY, MAY 9, 2024. This course provides at least 32 hours of advanced domestic mediation training for individuals seeking to mediate divorce and family cases. You MUST have completed a court qualified Basic Mediation Training prior to starting this class if you are seeking to be placed on the Utah divorce mediation roster. You will have approximately 1-2 hours of asynchronous material to complete prior to class each week. You must attend EVERY Zoom session and complete all online materials in order to receive roster credit. There will also be a capstone project and meeting with the instructor to complete. This course has been qualified by the Utah Court and meets the educational requirement to be listed as a mediator on the Utah Court Roster of Divorce Mediators (divorce roster). There are other requirements beyond taking this course that must be completed before being a rostered mediator, including a mentorship in mediating divorce cases. More information about these requirements and how to satisfy them is provided in class. For more details, please see our website at https://continue.utah.edu/proed/academy/certificate/domestic-mediation-training.

University Connected Learning
Note: Taught by Erik Ostrander and John Vetterli. This class takes place in person at the University Connected Learning and Continuing Education building (540 Arapene Drive, SLC) on Thursday and on the river Saturday (location announced in class). You are responsible for providing your fishing license. For the day on the river, bring sack lunch, polarized sunglasses (essential for eye protection), and either waders and boots or clothes and shoes that can get wet. Students will fish with the instructor for half of Saturday's class and practice independently for the other half. Special fee is for flies, streamside consumables, and access to shared equipment. Students supply their own rods, equipment, and additional flies. Bring equipment to your first class to be reviewed with instructor. If you need additional gear your instructor will guide you as to where to rent - plan to go rent it before your river session!!

THIS DEPARTMENT ENFORCES UNDERGRADUATE PREREQUISITES. Please note that the registration system may not factor in transfer work when determining if prerequisites have been met. If you are unable to register for a course and think you have met the prerequisite(s), please go to www.math.utah.edu (the link in the middle of that page) to inquire about obtaining a permission code. You may be administratively dropped from a course if the prerequisite has not been met.

Note: This class meets at the Sandy Center at 10011 Centennial Parkway, Suite 100, Sandy. For directions call 801.587.2520 or visit https://sandy.utah.edu/

Note: This is an asynchronous, online course, so there are no regularly scheduled class lectures. However, there are weekly due dates and a few required interactions. Exams will be given in-person at either the UofU testing centers (SLC, Sandy, St. George) or at approved proctors whom students find and arrange. You will have multi-day windows to take exams. Online, at-home testing is not currently available. There are also 1-hour zoom discussion groups which are graded and held weekly on Mondays and Tuesdays. Multiple time options, including mornings and evenings, and alternative ways to complete this component will be provided.

Note: Special Tasting with a Michelin Star Chef at the Ruin: We have a rare opportunity to sample small bites prepared by Chef Kevin Finch. A native of Salt Lake City, Chef Kevin began his culinary career at such NYC institutions as Betony and Maialino, before heading overseas to Maemo. Upon his return to the U.S., he was hired as an Executive Sous Chef at Atelier Crenn in San Francisco, eventually earning the title of Chef de Cuisine. From there, he worked alongside Christopher Kostow and The Restaurant at Meadowood team to open Ensue in Shenzhen, China. Most recently, Chef Kevin has been a featured guest chef at several noteworthy pop-up venues in Utah, as well as in New York City, Paris, Oakland, Omaha, Bangkok, Los Angeles, and San Francisco to name a few. Chef Kevin is currently at residency through the end of July at the Ruin Lounge and has agreed to have Osher members enjoy simple gastronomic creations before his residency ends. The Ruin is a stylish downtown Main Street lounge known for its well-crafted cocktails. Seating for this special opportunity is limited, so register soon! The non-refundable $50 special fee covers the food tastings and tip. Cocktails/wine pairing may be ordered during the event for an extra cost. REGISTRATION DEADLINE: Tuesday, July 23.

Note: Completion of three U-EXPLORE (PRTL, PRTS, and PRTW) courses is a prerequisite for this class. The first class meeting is Tuesday, May 16th at 10am and will be hosted online through Zoom. The primary outcome of this course is to serve as an assistant on a U-EXPLORE course to gain practical experience working with students in the field. Please come to the first class session having reviewed the PRTL, PRTS, and PRTW course schedules and with a list of 2-3 options for a course with which you would like to assist.

Note: This is an online course, which does not meet in-class. For additional information, please visit http://uonline.utah.edu or call (801) 585-5959.

Note: All internship placements must be approved by the internship coordinator in the prior semester.

Note: Explorers. Applications open in February 2024. Please visit our website to apply: [https://eccles.utah.edu/goff/explorers/](https://eccles.utah.edu/goff/explorers/). This course is open to all majors, and does not have pre-requisites. Please disregard major requirements. This course is ideal for students who do not have prior internship experience (usually first-years and sophomores). Explorers is a strategic leadership internship course for students who want a little extra support in finding an experience/being successful in the workplace. Students are matched with an internship and meet weekly in a corresponding class. Through this class, students engage in leadership and professional skills development. Students gain real-world, applicable experience while developing skills such as self-awareness, personal agility, and the ability to deliver results with strong personal ownership. These skills will help students lay the foundation for future experiences throughout their college career.

Note: This is an online camp. You will be responsible for purchasing your own groceries. We will contact you with a supply list closer to when the camp starts. Parental warning: students may be using kitchen appliances/equipment such as knives, microwave, stove/oven, etc. and the recipes will make around 4-6 servings per meal. If you're registering within 10 days of camp starting, please contact us for the supply list. Recipes may contain nuts, meat, shellfish, dairy, or other food allergens/dietary restrictions. Please email us in advance with questions. Reminder emails will be sent out before camp begins and will include location notes and other details.
